## More Ways To Give And Save

Your gift to us can make a difference. Help us further our important work today.

- **Timing Is Important** Did you know that you can mail a check on December 31st and, even if we do not receive or cash the check this year, you will still receive a deduction in the year that you mailed the check? Keep this in mind for year-end tax planning!
- **IRA Rollover Gifts** If you are age 70½ or older, making direct charitable gifts from your IRA, up to \$105,000 per year, is often the best way to give. It is easy to do! Simply contact your IRA custodian to initiate the process. In addition, IRA charitable rollover gifts are not reportable as taxable income and they may be used to offset your required minimum distribution. For more information on this giving strategy, please contact us.

## **Charitable Income Tax Deduction**

An individual who makes a gift to a qualified charity may take this deduction, if they itemize their deductions when filing their income tax return. These deductions are subject to certain limits each year and are usually based on the fair market value of the property donated to charity.

## **IRA Rollover Gift**

A charitable gift made by the owner of an IRA directly to a qualified charity. The owner must be 70½ years of age or older, can transfer up to \$105,000 per year and the transfer may help the owner meet their "required minimum distribution" or RMD.
