Do you own an IRA? Would you like to give more to charity but need the retirement income?

Have you considered a charitable gift annuity in the past but weren't ready?

If you answered "yes" to these questions, the Secure 2.0 Act provides a once-in-a-lifetime easy way to do so using a tax-free distribution from your IRA.

What Is a Charitable Gift Annuity?

A charitable gift annuity (CGA) is a contract between you and our organization – in exchange for your charitable gift, we agree to pay you a fixed income for your lifetime. Upon your passing, the annuity ceases and the remaining principal is used to further our mission.

How Does the Charitable Gift Annuity Work?

A charitable gift annuity (CGA) is a simple written agreement signed by you and our organization. Once you contribute cash from your IRA, the CGA begins to make monthly or quarterly payments to you for your lifetime. The payment rate is based on your age to your nearest birthday.

Benefits of a Charitable Gift Annuity

- Lifetime income and financial security
- Attractive payment rates
- Opportunity to support our work

- Maximum allowable distribution amount of \$50,000 in 2023

- Lowers your taxable estate

Other Considerations

- Charitable gift annuities may be set up to pay income to you or your spouse
- Under the act's provisions, you must be 70½ or older to take advantage of this opportunity
